Request No. AG-7-12 (Electric)

Please provide copies of the surveys published by other "nationally known consulting firms" referred to by Mr. Collin on page 35 of his prefiled testimony.

Response:

These surveys were used in 1997 when the Compensation Study was complete and are no longer available. They are also all copyrighted materials which could not be copied even if they were available.

The surveys used included surveys by Towers Perrin, Watson Wyatt, and Mercer.
